

## **ARVC Foundation Disaster Relief Fund Distribution Criteria**

The ARVC Foundation has established a Disaster Relief Fund. The objectives of the fund are to:

1. Provide support to parks and campgrounds in the industry who have a short-term emergency financial need;
2. Assist park owners in providing support for their park employees who have severe financial and living needs due to a disaster; and
3. Provide charitable support, together with park owners who through their own resources, are providing living, financial and other support to people staying in their parks.

It is expected that park owners have their businesses and residences properly insured. Therefore, the ARVC Foundation Emergency Fund is designed to provide funds to help with short-term, interim needs that will eventually be covered by insurance, FEMA, SBA or other public or private programs. In addition, the ARVC Foundation wishes to make charitable grants to parks that are using their own resources to assist disaster victims; and to provide support for park employees whose personal property is destroyed or unusable. Grants are provided as gifts, with no expectation of repayment.

### Grants:

1. The park owner must furnish a statement describing their interim needs for support;
2. A maximum of \$1,000 would be given as a “gift” to a park owners for personal needs;
3. A maximum of \$3,000 would be given as a “gift” to a park who needs money to help their business with essentials to get by until expected insurance and other funding is received during the period immediately following the disaster event; and
4. A maximum of \$1,000 would be given as a “gift” to a park to assist with needs within their park or community, including assisting employees impacted by the disaster event;
5. Only one grant of each type will be given per park.

The foundation reserves the right to audit the use of the funds and to verify that the funds were used solely for the intended purpose.

A park may apply for all types of grants. Application must be made within 60 days of the disaster.

For questions regarding grant applications or ways to donate please contact the ARVC Foundation at 303.681.0401 or by email at [foundation@arvc.org](mailto:foundation@arvc.org).
